

*Everyday a new Hayat*

# EVERYDAY A NEW HAYAT!

## Water is the healthiest hydration!

Many factors such as unhealthy diet, erratic lifestyle, pollution, stress...etc. cause the accumulation of harmful substances in our body. These substances appears as factors which may become main enemies of our tissues, organs and cells by preparing the ground for diseases or directly causing some diseases.

Drink 2 litres of Hayat everyday to help your body to eliminate substances that your body doesn't need. Thus, you can feel light as you started a new Life.

Water is the only drink that is;

☞ Calorie-Free

☞ Sugar-Free

☞ Non-Fat
